About ITF

What is the International Thespian Festival?

The **International Thespian Festival (ITF)** is the premier theatre festival for middle and high school students around the world. Held annually since 1941, it welcomes over 4,500 attendees for a week of nonstop theatre, including full-length high school productions on the Main Stage to workshops led by industry professionals and everything in between. At ITF, the future of theatre starts here.

ITF is produced by the Educational Theatre Association, which is the parent organization of the International Thespian Society (ITS).

What is the International Thespian Society?

The **International Thespian Society (ITS)**, an honorary group for middle and high school theatre students, is a division of the **Educational Theatre Association (EdTA)**. The mission of ITS is to honor student excellence in the theatre arts. Thespian troupes are just a component of a school's theatre program. ITS membership offers many valuable benefits, including registration discounts and access to exclusive programs at ITF, like college auditions and Thespys.

Attending ITF

You've made the decision to attend ITF and we're so excited for you to join us in Bloomington in June! It's now time to register yourself, and any students and adult leaders (chaperones) who will be attending with you. This guide is here to help you gather all the information you will need to make registration as easy as possible.

All students must be chaperoned by adult leaders. Student to adult leader ratios are outlined below. All adult leaders must be at least 21 years old and complete a background check. Each group must select one Primary Adult Leader (PAL). ALL Adult Leaders are required to complete a brief safety training prior to arriving at ITF. Training instructions will be emailed to all PALS and Adult Leaders after registration closes.

Students

All students in grades 6-12 who love theatre are invited to attend ITF with their adult leaders such as troupe directors, teachers, parents, and guardians. Adult leaders must be at least 21 years old at the time of ITF.

Theatre education partners (industry and college representatives) are also encouraged to attend.

Are students who are not yet inducted in ITS able to attend ITF?

Absolutely! Students who are not yet inducted in ITS are permitted to attend and can even earn induction points.

Adult Leaders

Students must attend ITF with at least one adult leader to serve as chaperone (Primary Adult Leader – or PAL for short). PALs may be a Thespian troupe director, teacher, parent/guardian, or any other adult approved by your school or local authority as needed. This individual will also serve as the main contact for all ITF communications, including before, during, and after ITF.

The PAL must be registered to attend ITF with their group from June 21-26, 2026. [The full responsibilities of the PAL are clearly outlined on the ITF website.](#)

Depending on the size of your group, more adult leaders may be required to register per ITF's chaperone policy, which requires 1 adult leader registered for every 8 students.

Background Checks – All adult leaders are required to complete a background check. Instructions to complete background checks will be emailed to all adult leaders after registration closes. Background checks must be completed by June 10, 2026, otherwise your group will not be permitted to check at ITF.

Ratios

Please be mindful that ITF is an event designed for students. Each group should bring enough Adult Leaders to ensure a successful and safe experience for all attendees. ITF’s chaperone policy requires one adult leader for every eight students; however, the following ratios are strongly encouraged

Number of Students	Number of Adult Leaders
1-8	1-2
9-16	2-5
17-24	3-6
25-32	4-7
33-40	5-8

Medical Forms

For everyone’s safety, a completed medical form must be on file for all students and adult leaders before ITF begins. Please ensure your form is submitted and up to date by the required deadline. Participation at ITF is not permitted without this information on file. Instructions to complete medical forms will be emailed to PALs, Adult Leaders, and parents/guardians after. These forms will be sent via email after the May 13 registration deadline as follows:

- **Adult forms** will be sent directly to the attendee.
- **Student forms** (regardless of the student’s age) will be sent to – and must be completed by – the parent/guardian listed on the student’s registration.

To ensure privacy and security, the forms cannot be sent to or completed by the PAL unless they are the legal guardian of the student.

Medical Forms must be submitted by June 10, 2026, otherwise your group will not be permitted to check at ITF until the form has been submitted.

Students participating in virtual programs and their designated adult contacts will receive an email from edta@schooltheatre.org with instructions for submitting their adjudication forms and materials, which is the next step after registering.

All Thespy adjudication forms and materials must be submitted by the adult who will be accessing scores at the conclusion of the program, and adults will need an EdTA/ITS account to complete the form. College Audition forms must be submitted by the student. The deadline to submit virtual program materials is May 13, 2026.

Payments

All payment is due in full by June 10, 2026. At the time of registration, the PAL may select one of the following payment methods:

Credit Card

Payment of the full balance due is supplied and processed at the time of registration submission. If you need to pay via credit card later or in installments, select Balance Due.

eCheck (ACH)

Payment of the full balance due is supplied and processed at the time of registration submission. Please be prepared to provide the following information at checkout:

- Routing #
- Account #
- Account Type (Savings or Checking)
- Name of Banking Institution
- Name on Account

Balance Due

Allows for registration to be submitted without immediate payment; the PAL can then opt to pay by check, eCheck (ACH), or credit card at a later date. Credit card and eCheck payments can be made in the Attendee Service Center at any time after submitting the registration. Payments can be split, but must cover the cost of one or more full registrations.

For example, the system will not accept partial payments such as \$1000. Instead, payments must match the exact cost of a full registration.

Note: ITF does not accept purchase orders as a form of payment. Balances must be paid by deadline or registrations may be cancelled.

Processing Fees

For credit card and eCheck (ACH) payments, a non-refundable administrative fee is added to each registration to cover processing and system costs.

This fee supports registration services and will not be waived or refunded.

Fees apply as follows:

- **Credit Cards:** 3.5% per transaction
- **eCheck:** 0.75% per transaction

Paying by Check

Please make all checks payable to the International Thespian Festival and mail both the invoice and the check to:

International Thespian Festival
PO Box 7410258
Chicago, IL 60674-0258

The International Thespian Festival and the Educational Theatre Association are separate entities. *Do not make checks payable to the Educational Theatre Association.*

Discount Codes

The use of a discount code is only valid at the time of the initial purchase/registration submission. Refunds will not be authorized for existing registrations where a special offer was received after the initial registration was submitted. *Limit one (1) discount code per individual registration.*

Scholarships

ITF Scholarships enable more Thespians to participate in the life-changing experience of the festival and are awarded through the Educational Theatre Foundation.

Applications open January 1 and close March 1, 2026. Scholarship winners will be notified by March 25, 2026. Learn more about scholarships offered through the Foundation.

Quotes

To receive a quote, complete the group's registration and select Balance Due as the method of payment. Then, email events@schooltheatre.org and request a quote for the registration. Be sure to provide the first and last name of the PAL in the email. Note that quotes are subject to all registration policies including payment, cancellation, and administrative fees.

Substitutions & Cancellations

Substitutions for attendees that have registered but are no longer able to attend can be made in the Attendee Service Center up until May 13, 2026.

If the PAL cannot make a substitution for another attendee and needs to cancel the registration, they may do so up until that date. Full refunds, less a \$100 cancellation fee, will be issued for any cancellations received by the cutoff date. Cancellations after May 13 will forfeit the entire registration fee. Any balance due must be paid in its entirety for any cancellations received after May 13. No refunds will be issued after May 13.

Housing & Meals

All ITF attendees are required to stay in either campus housing (with **All Inclusive Passes**) or in an ITF host hotel (with **Activities Passes**). This requirement allows ITF to effectively manage risk, logistics, and agreements with Indiana University Bloomington and local law enforcement. Meals are included for attendees who choose All Inclusive Passes. Meals are *not* included with Activities Passes.

Residence and Dining Halls

All Inclusive Passes include housing for six (6) nights (Sunday – Friday) at a designated residence hall on campus and three (3) meals per day (Monday – Friday). Residence halls will be assigned to attendees based on their registration date, accessibility requests, and other factors.

Room styles and bathroom accommodations (including private, semi-private, and community) vary by building. Most beds are twin-XL sized and lofted approximately four feet off the ground.

It is critical for the PAL to indicate any accessibility requests when completing housing forms, including if anyone in the registration group needs their bed lowered, as ITF is required to submit requests to lower beds in advance of the festival.

ITF is unable to accommodate specific dorm building requests. Attendees may be assigned to dorms that have community bathrooms. ITF is also unable to guarantee requests to house attendees who are not registered in the same group together in the same residence hall. Any attendees who need to be housed together must be registered as a single group with one PAL.

Attendees with All Inclusive Passes are assigned to a residence hall and have set meal teams.

Campus Housing Forms & Roommate Assignments

PALs are responsible for submitting a Campus Housing Form for their group by May 13, 2026. All adults will be housed in single-occupancy dorm rooms. Students will be housed with roommates as assigned by their PAL on the housing form. If the group has an odd number of students, any student without a designated roommate will be housed alone. ITF will not randomly assign roommates across registration groups.

ITF is often asked if students and adults are allowed to share a room. ITF works diligently to honor individual school administration policies, as well as to remain in compliance with Indiana University's Programs Involving Children (PIC) policy. If staying in a residence hall, adults and students are not permitted to sleep in the same room, per IU's PIC policy.

Hotels

Groups who prefer to stay off-campus should select the Activities Pass when registering. ITF has contracted with a variety of hotels at varying price points. Room types (king, double/double, suites) vary in each hotel, but for budgeting purposes, expect to accommodate an average of three people per room.

All hotel reservations require a credit card to hold the reservation. No payment will be processed until after the conclusion of the group's stay. ITF is not able to provide official quotes or invoices for hotel stays; all invoices and balances due will be managed by the hotel, and all payments will be made to the hotel directly.

All hotel reservations made through the registration process will be listed as "pending" in the Attendee Service Center until after the reservation deadline on May 13, 2026. Please do not contact the hotel regarding reservations before this date. Once a hotel has finalized their reservations, the PAL the primary guest on the reservation should receive a confirmation number directly from the hotel. This confirmation number can also be viewed in the Attendee Service Center beginning about a week prior to the event's start date.

Some groups choose to arrive early or extend their stays. ITF's contracts with the host hotels include a limited number of rooms available at the discounted ITF rate both before and after the event. PALs can work directly with hotels to extend your stay.

Hotel Roommate Assignments

If staying in one of the ITF host hotels, it is strongly recommended that students and adults sleep in separate rooms and never share a bed. Check with your school administrator for your district's best practices related to safe boundaries between adults and students.

Performances & Ticketing

ITF features a wide array of performances, including full-length productions, one-acts, readings, and more. Most performances require a ticket. Performance tickets are reserved before arriving at ITF.

Ticket reservation windows are assigned based on registration date.

PALs are responsible for reserving tickets for their group. To select the most appropriate performances for your group, please review performance descriptions and content warnings before your ticket reservation window opens.

PALs for each registration group will receive an email from the Indiana University (IU) Auditorium Box Office with their Ticketmaster login credentials and an assigned reservation time slot. Ticket reservation windows are staggered between 10 a.m. and 5 p.m. ET Monday-Friday (no weekends or holidays) with priority given based on registration date.

Groups must attend the same performances and may not split across or book multiple shows in the same performance slot. Note that the IU Auditorium box office reserves the right to cancel tickets to one or all performances should groups attempt to split their tickets across multiple performances in the same time slot or book multiple shows in the same time slot.

It is suggested that groups of 10 or more either call or email IU Auditorium Box Office to reserve tickets, Monday-Friday from 10 a.m. to 5 p.m. ET. PALs may send ticket reservation requests before their group's assigned ticket reservation window opens to ensure a smooth process for reserving tickets.

If you have attendees with ADA requests within your group, IU Auditorium Box Office will contact you to accommodate those requests.

All Primary Adult Leaders are required to reserve performance tickets for their group by June 3, 2026.

[Learn more about the ticketing reservation process on the ITF website.](#)

Registration Tips & Instructions

Ready to register? Great! Follow these instructions after collecting all the information needed from each attendee joining your group at ITF. Registration should be completed by the PAL. If the PAL is unable to complete the registration for their group, another adult may complete the registration with special attention to the note in step 6.

Tips

- Before beginning, note that the registration system is unable to save an incomplete registration cart. If the form times out, all progress will be lost. You must click Submit at the end of the process to save your registration information.
- If you can't register your entire group in one sitting, you can add additional attendees in the Attendee Service Center after the initial registration is submitted. The only required member of a group registration is the PAL, who must be registered first. All other attendees can be added later as the group finalizes plans to attend.
- If adding additional attendees to your registration from the Attendee Service Center, the email confirmations will be sent to the email address associated with each individual attendee (rather than to the PAL). ***Use email addresses that you know are able to receive communications from outside organizations.*** Encourage all attendees to add edta@schooltheatre.org and events@schooltheatre.org to safe sender lists.
- Students not attending ITF, but participating in virtual programs must register separately from the group that is attending in person. The virtual program confirmation and subsequent communications will be sent to participating students and their designated adult contacts from edta@schooltheatre.org with instructions for submitting their adjudication forms and materials.

Registration Instructions

- 1. Collect *all* attendee information** using the Adult and Student Registration Information Collection Worksheets provided at the end of this document (optional).
- 2. Navigate to the [Register Now](#) page** on the ITF website.

- 4. Click on the appropriate registration type** for your group: All Inclusive Pass, Activities Pass, Virtual Programs (for students unable to attend ITF in person), or One Day Performance Pass.
- 5. Log in to the registration form** using your EdTA account credentials.
- 6. The registration form** will assume that you want to register yourself first and be assigned as the PAL for your group. Click to proceed.

Important! If anyone other than the PAL is completing the registration, they must not register themselves first and register the person who is the PAL instead. ...

... Click Search Again and find the PAL's record. Each registration MUST begin with the PAL. Enter all registration information for the PAL using the information provided on their Adult Info Collection Form (if used).

- 7. Select registration fees.**

- 10. Search for the next attendee.** Add all adults first and then add student attendees.
- 11. Repeat steps to add all attendees** in your group to the registration until all attendees appear in your shopping cart.
